SKIP A PAY NOW AVAILABLE.

Now you have the option to skip a loan payment without impacting your credit rating. The Skip-A-Payment Program gives you the option to defer a monthly payment on any eligible First Credit Union of Scranton loan. If your loans are paid through payroll deduction, the payment stays in your account, making it available to you when you need it. We advance your payment due date and your maturity date (for example on a 36 month loan, if one payment is skipped, you make 36 payments over 37 months). You can choose to skip one monthly loan payment or up to two consecutive payroll deduction loan payments (if paid bi-weekly). Restrictions apply.
